SYNTHETIC DEMO · NOT FOR PUBLICATION

ANNUAL REPORT PREVIEW · 2026

Org 1
Our programs, together.

Community-based programs create space for healing in California prisons. This preview shows how an organization's program information can become a clear, shareable account of its work.

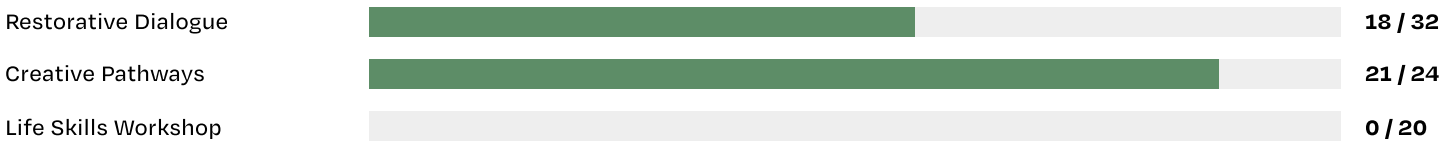

Fictional organization. Made-up figures. Fixed snapshot from the dashboard demo fixtures dated October 24, 2026; not a complete annual account and not connected to live dashboard updates.

39 of 76 enrollments completed (51.3%). Includes planned and in-progress programs, so this is a snapshot ratio, not a final annual completion rate.

What these numbers do—and do not—tell us

Enrollments count program places, not unique people. Participant-hours equal completions × course hours; partial attendance is not measured. These activity figures do not establish changes in return to prison, release dates, or public savings.
